### NTSRI PRESIDENT'S LETTER

Hello, All! I hope everyone has had a very successful and safe summer and show season and that this newsletter find you, your family and your flock well!

The NTSRI National Show and Sale in Wooster got the show and sale season rolling, with 49 high quality Tunis selling for an average of \$488. We especially thank the Ohio Tunis Association, Darling Tunis and Big Time Tunis for their excellent hospitality!

We have heard great reports from the All American Junior Show and Northeast Youth Sheep Show. A big thank you to all the youth and adult volunteers that worked so hard to make these events successful! The events and activities at these shows that build friendships between Tunis youth are incredibly valuable!

The 2014 NTSRI Directory has been printed and is ready for distribution. We thank the Banner publication team for all their help in getting the material assembled. It looks very professional, and due to vendor and member sponsorship, the only cost to the NTSRI was postage. Copies of the NTSRI directory will also be available at major Tunis events.

When I have a chance to hop on Facebook, I love seeing all the folks exhibiting Tunis at state fairs and local shows around the US and Canada. They are looking great!

I am very pleased (and somewhat overwhelmed) to be serving as the NTSRI president. This summer has had some unique challenges for my family, and I wasn't able to get to the Tunis events I had been hoping to attend. But I've been hearing great reports of excellent quality sheep, well-organized shows and lots of Tunis fun! I'm looking forward to seeing everyone at NAILE! If you have any questions or concerns regard Tunis or Tunis events, please don't hesitate to contact me or the Director elected to your region.

Sincerely,

Georgina Anderson

NTSRI President

## Northeast Tunis Sheep Association (NETSA)

### Region 1, Troy Staples

Summer is blending into autumn. Kids are back in school. The days are growing shorter. But, the fair season is still going strong in New England with the Big E (ESE), Topsfield and Fryeburg, just to mention a few opening in weeks to come!

The youth came out strong (16 exhibitors with 67 head of Tunis sheep) for the 30<sup>th</sup> Annual Northeast Youth Sheep Show, July 18<sup>th</sup> – 20<sup>th</sup> organized and conducted by the New England Sheep & Wool Growers Association (NESWGA). Many activities were planned by NESWGA during the three days, such as quiz bowl, skill-a-thon, ice cream social, BBQ, showmanship classes and the Tunis breed show. During the packed filled days, the Northeast Tunis Sheep Association (NETSA) organized a pizza party for all Tunis breeders and scavenger hunt, a great opportunity for the youth to get to know about other breeds.

NETSA would like to thank the following breeders for their support during this event....WindSong Farms for the "goodie bags" distributed to the youth during orientation, Sandi Hunt Hammel for \$10.00 donations to each Tunis exhibitor to be used at the Promotion Booth, Troy, Toni, Meg & Chelsey Staples, Boulder Creek for sponsoring the Best Headed Ram Award and Anna Charest, Small Fry Farm Continued for sponsoring the Best Headed Ewe Award. During the 2014 Tunis Showmanship Competition, a banner was presented to each first class winner in the competition. We would like to thank the Surgenor Family for their donation to make this possible!

In a few short weeks, the 2014 Regional Tunis Show will be held at The Big E, Eastern States Exposition (ESE) in Springfield, MA on Saturday, September 20<sup>th</sup> at 2:00 p.m.

Arrival for week two of the fair is Wednesday and Thursday, September 17<sup>th</sup> & 18<sup>th</sup>. For further information, please visit the Big E website [www.thebige.com](http://www.thebige.com)

Cont'd top of next page...

NETSA would like to invite all who will be attending to stop by the NETSA Welcome Center, view our display, and enjoy candy from our candy jar filled daily! On show day, sandwiches from Subway will be available at lunch for all Tunis breeders as well as chips, cookies and bottled water. After the show NETSA will also be sponsoring a Pizza Party for Tunis breeders, a time to sit back, relax and enjoy fellowship among old and new friends.

NETSA would also like to give a big "thank you" to the following breeders for their continued support and sponsoring the following awards at the 2014 Regional Tunis Show at The Big E (ESE)

#### WindSong Farms, Bill & Sharon Kerns,

- **Tunis Yearling Ewe Jackpot Show - 2014 Tunis Yearling Ewe Jackpot Show**

The Fourth Annual Tunis Yearling Ewe Jackpot Show at NAILE is less than three months away. The breeders invested a fee to nominate one or more lambs; they sustained their entries over a year and finally entered the best yearling ewes in the show.

This year we are happy to announce nine breeders with fifteen entries participating this year in the show. The show is scheduled on Wednesday, November 19<sup>th</sup>, 2014, one hour after the Open Tunis Show at the Goat Show Ring. The Show & Sale Committee will be announcing the three judges in upcoming information. Cash rewards will be paid back to the top five individuals in the show.

Again, we cannot thank the breeders enough who support and participate in the Jackpot Show. Without your participation, we would not be able to have a showcase event to show off these beautiful "red heads". Thanks!

To all who will be attending NAILE this year, please come and join in the fun, cheer for your favorite Tunis Yearling Ewe!

## Region #2 News Director

Well this years show season is off to a good start. The Regional Tunis Show for region 2 was a great success! We had 5 breeders mostly youth. Next year we have more Tunis breeders that are committed to come. I would like to take this time to Thank everyone that participated.

Our New York State Fair was a great show of Quality Tunis. A new family in Tunis "The Red Barn Farm" won supreme champion ewe with there Tunis yearling ewe. Congratulations to Old Glory Farms on Champion Ram.

Remember entries for Rhine-beck bred ewe sale will be closing soon.

Thank you to all our region two breeders for there quality and there great support for each other.

Good luck to everyone with the rest of the season!!!!

Robin E Swartz

## Robin Swartz,

## Walter Clark reports on Region #3

It has been a busy summer in our district. Shows have been happening all around. Tunis were the largest breed showing at the Crawford County Fair with 20 animals present. There was a lot of interest in them and David Cook was the judge. He actually said when one of the ewes came out that "that is a pretty sheep". He then went into a history on Tunis and commented about the need for "pink" noses. He said it was nice to see some Tunis with the pink noses and not speckled or dark.

It has been a tough year to get in hay in Northwest PA. We finally managed to finish in early August. Not the best quality but it will be snowballs this winter.

KILE is just around the corner and there will be a ewe sale on Saturday, Oct 4th at 5 PM. Hope to see some of you there.

## Message from The Show and Sale Committee

We are pleased to announce that the 2015 National Show will be held at Eastern States Exposition in Mid-September and the 2016 National Show will be held at the NAILE.

The 2014 Jackpot show is just a couple months away. The Jackpot Show will take place right after the open Tunis Show at NAILE. We will have 9 breeders showing 14 ewes.

As fall lambing will soon be upon us, remember these lambs are always sale favorites. Keep your entries for the 2015 National Sale held in Wooster OH in mind as lambs hit the ground.

Best of Luck to everyone at the fall shows,

The Show and Sale Committee

Troy Staple, Georgina Anderson

## AHSA Office Relocation

The AHSA Board of Directors would like to announce that since the current office lease in Milo, IA expires in the fall of 2014 that a decision has been made to relocate the office to Wamego, KS. (NOTE: The National Tunis Sheep Association contracts Associated Registries through the American Hampshire Sheep Association to provide services to NTSRI. Services include: Tunis Sheep registry, database maintenance, membership registry, and a registry of Christened Tunis Sheep names.)

Plans are in place to move the computers and office equipment the last week of September. The Iowa office will remain open through September 26th. The move will occur over the weekend of September 27th and 28th. The plan is to have the registry program up and running on September 29th in Wamego. New staff is being hired and will go to Iowa to learn as much as possible about the registry program prior to the relocation of the office. We expect little to no interruption of service as we transition the office to Kansas.

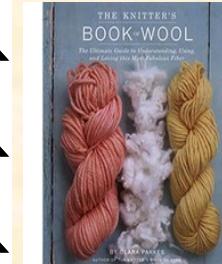

Please note the address for the Kansas office is PO Box 231, 305 Lincoln, Wamego, KS 66547. The phone number is 785-456-8500. The fax number is 785-456-8599. Continue to mail your registry work to the Milo, Iowa office prior to September 23rd. All rush work can be emailed or faxed to the Iowa office through September 26th. If you have any questions about this transition please call Jeff Ebert, AHSA Executive Secretary at 785-458-9174.

Offering a blend of technical knowledge, history, and easy-to-use tips, this inspiring collection of spinning wisdom deftly explores the three fundamental areas of yarn production: understanding fibers, managing

yarn structure, and making yarns that precisely meet the spinner's needs. The rich, historic traditions of plant and animal fibers are fascinatingly juxtaposed with recent advances in synthesized fiber and mankind's use of fibers in the past, present, and future, while detailed, image-laden instructions for four intermediate projects demonstrate the range of possibilities, from sturdy, plied yarns to playful, novelty yarns. Spinners are also offered guidance on planning a project from start to finish, as well as how to care for and store completed projects.

### The Ultimate Guide to Understanding, Using, and Loving this Most Fabulous Fiber

In this complete guide to wool - the most popular yarn around - passionate wool expert Clara Parkes translates the vast world of sheep and their wool into the language and context of knitting.

**What is wool?** Clara starts with the fundamentals: what wool is made of, how it gets off the sheep, and

how it is transformed from a jumbled mass of dirty fluff into a gorgeous yarn that so tempts us at our local yarn stores.

**Who makes it?** Parkes conducts an inspiring tour of sheep breeds from around the world - introducing us to the animals who give us their wool - and explains how to best knit with yarns made from their fibers.

**Which yarn do I use?** If only there were a way to read a skein to know how it would behave and what it wanted to become. Now there is! Parkes demystifies the generic (non-breed-specific) wool yarn you'll find at your local yarn shop, showing you how to best determine what every yarn longs to be.

*The Knitter's Book of Wool* teaches you everything you need to know about wool - and its journey from pasture to pullover. The next time you pick up a skein, you won't have to wonder what to create with it. You'll just know.

#### News From Region 4

Well Ohio has been a busy area for Tunis breeders this summer with the National show and sale both being in our state this year.

I want to take the time to first of all thank all the contributors to the buckets that were handed out to all the exhibitors at the National Tunis Show at the Ohio State Fair. Louise did a wonderful job of getting all the coordination done and making sure everyone received their buckets. I also want to thank all the exhibitors that took the time to travel to Ohio for the show. Now, that the calendar has turned to September and most all of us are deep into breeding season I want to wish you all a great fall season. I am looking forward to seeing lambs on the ground come next winter into spring already looking for that superstar lamb. I also want all members to remember to feel free to contact your directors with questions and problems. May you all have a great fall and winter; looking forward to seeing all my sheep buddies at NAILE.

Thanks  
Tom  
Region 4

#### News from Region 7

As we are winding down the summer show season and ramping up for the Fall here in Region 7 it has been busy. Here at Murry Farms we have been to shows around Missouri and Indiana. We were able to represent the Tunis breed at the Ozark Empire Fair in the All other Meat Breeds. At the Missouri State Fair we had our numbers up and had a couple of new breeders show. The Tunis breed is continuing to rise.

I am looking forward to seeing everyone at NAILE and excited to see all the quality Tunis on exhibit. It is always nice to see other breeders that we only get to see maybe once or twice a year and to fellowship with them as well as talk sheep.

I wish everyone safe travels and good luck as we start breeding and lambing seasons. I am grateful to service as the Region 7 Director and work with so many amazing people. If you have anything you want to talk about or I can help with feel free to contact me.

Sincerely,

Lynn Murry Jr., Region 7 Director

## 2014 Tunis Ewe Lamb Futurity

In order to encourage youth in the Tunis breed and to promote Tunis sheep, the American Tunis Registry and the National Tunis Sheep Registry Inc. is establishing a joint Tunis ewe lamb futurity. This Futurity is open to any youth with a guarantee payout of at least \$2,000.00 in premiums from nominations and corporate sponsors. In order to qualify for the contest, junior members purchased top quality Tunis ewe lambs at any open-bidding sale.

So far we have four junior members who have turned in points from futurity shows. Our preliminary rankings so far is: 1<sup>st</sup> place Jake Allen of Oregon with 59 points (a ewe lamb purchased from Triangle Farms); 2<sup>nd</sup> place is Jasmine Hill of Oregon with 51 points (a ewe lamb purchased from Michael Wise); 3<sup>rd</sup> place is Mattilyn Maag of Ohio with 47 points (a ewe lamb purchased from RQL Farms); and 4<sup>th</sup> place is Alex Endicott with 25 points (a ewe lamb purchased from Uptown Farms). Juniors you have 21 days after a show to turn in your points to either Lacey Allen of Oregon or Dale Huhnke of Indiana.

Some major shows are coming up to show your Tunis such as the Big E and KILE. And don't forget to enter NAILE by October 1.

We are pleased that these Tunis breeders nominated ewe lambs in the 2014 futurity contest: Uptown Farms of Missouri; Barnes Farms Genetics of Ohio; Brown Family Tunis of Ohio; Bruns Family Tunis of Ohio; Cass Hollow Tunis of Wisconsin; Dirk and Michelle Wise of Pennsylvania; Don and Jane Craft of Indiana; J&J Suffolks and Tunis of Pennsylvania; Maple Hollow Tunis of Pennsylvania; Michael Wise of Pennsylvania; Riverwood Farms of Ohio; RQL Farms of New Jersey; S & T Tunis of New York; Stumpe Family Tunis of Missouri; Triangle Farms of Indiana; and Woolly Hollow Farm of Virginia.
